

Third Crossing Project Community Engagement Report

July 1 – July 31, 2019

Community Meetings

1. July 11: Meeting with Kingston Fire & Rescue, Frontenac Paramedic Services and Kingston Police in an effort to ensure Kingston emergency services are informed and up-to-date on all activities related to the project.
2. July 30: Meeting with Friends of Kingston's Inner Harbour – met with six members of the group to inform them of all the work the project team is commencing for turtle mitigation and as part of the turtle management plan.
 - The group walked through the updated construction method and answered questions / concerns in relation to: how the team will accommodate turtles and nesting, what mitigation efforts are being made, how the team is considering the American eel, the updated construction method – fill, timing, duration, uses for the rock after the construction
3. July 30: Meeting with past members and president of the Ontario Woodland Association.
 - The meeting was organized to walk through the next phase of tree removal to see if there is any interest in them taking the trees or re-purposing them. It was organized for the group to take some of the fallen trees.
