

Third Crossing Project Community Engagement Report

June 1 – June 30, 2019

June updates

1. Upcoming engagement on environmental considerations

This summer the project team will be hosting two open houses to discuss our work with Parks Canada and to showcase the evolution of the design and new construction methods. The team recently hosted two near neighbour meetings providing information on the construction methods. Those [presentations can be viewed on our website and at this link.](#)

2. Near-neighbour meeting presentations

On June 25 and June 26 near neighbour meetings were held to update the community about upcoming work activity. Thank you to everyone who attended the near neighbour meetings and for anyone who missed the meetings the presentations are available online now. We will also be providing a summary of what we heard and what was discussed at these meetings shortly.

Community Notifications

- June 12: E-newsletter and news release about installation of turtle fencing on the east shore
- June 13: [Notification to nine properties](#) about noise fence being installed on Gore Rd.
- June 14: E-newsletter about June 25 & 26 near neighbour meetings to discuss upcoming early work. Public notice was given through social media, emails to key stakeholders, on the City of Kingston and the project website

- June 17: Presentation to SPEAKingston about the project. [View the presentation](#)
- June 21: Notification to Riverpark condo and east side listserv about upcoming work along John Counter Boulevard for installing temporary construction fencing
- June 26: [Notification to Skyline apartments](#) about relocation of their driveway south of John Counter Boulevard
- June 27: Project information sign installed on the east shore to inform residents of the project

Community Meetings

- June 25: East side near neighbour meeting. [View the presentations slides](#)
- June 26: West side near neighbour meeting. [View the presentation slides](#)

Next Steps

The Third Crossing project team will continue to meet with residents and engage the public as the project progresses. The project team will be hosting near neighbour community meetings in October to inform residents about early work activity for the bridge.
