

Third Crossing Project Community Engagement Report

Aug 1 – Aug 31, 2019

Community Meetings

- Aug 15 – East side tree management meeting
 - Members of the Third Crossing project team met with about 15 east side residents and went on a guided walk to inform residents about tree removal on the east approach, the tree management plan, wildlife management, the development of our tree restoration plan and to provide a better understanding of the connectivity and paths on the east side. As part of the tree management plan, the project team has been working with Indigenous groups and other community organizations for the reuse of removed trees.

Community Notifications
