## RELOCATION OF SKYLINE APARTMENTS DRIVEWAY

Dear Skyline Apartment residents,

As part of our early works for the Third Crossing, the project team is relocating the driveway into Skyline Apartments south of John Counter Boulevard. The driveway will be relocated with an anticipated start date of July 22. The Third Crossing project team is in close contact with the building managers of Skyline Apartments and will be updating them as we progress through this work. Crews will be onsite through all stages ensuring all activity on site is safe.

The work is outlined below:

- Construction on the relocation of the driveway south of John Counter Boulevard is anticipated to begin the week of July 22 to July 29.
- The current driveway will remain open as the new road is being built.
- During this stage, crews will be onsite working five days a week from 7 a.m. – 6 p.m. to build the driveway.
- Equipment used will be construction equipment, including excavator, dozer, dump trucks and compactors
- There may be some intermittent one-lane road closures on John Counter Boulevard (JCB) but access will remain open at all times for JCB and into the Skyline Apartments.
- When the current driveway closes signs will be installed advising of the date for the new location of the driveway. Workers will be onsite to manage traffic during the day of the switchover.

We appreciate your patience as we start to have more site presence on both the east and west approaches. As work continues we want to ensure we have good communications with near neighbours. If at any time you would like to speak with member of the project team, please email us at [thirdcrossing@cityofkingston.ca](mailto:thirdcrossing@cityofkingston.ca) and a team member will be in touch.

Sincerely,  
Third Crossing Project Team
