

Canadian Navigable Waters Act

The City of Kingston hereby gives notice that a submission has been added to the Common Project Search, Navigation Protection Program, pursuant to the *Canadian Navigable Waters Act* described herein and its description.

Pursuant to paragraph 4(1) and 9(1) of the said Act, The City of Kingston has deposited with the Minister of Transport, The City of Kingston on the on-line Common Project Search (<http://cps.canada.ca/>) and under registry number 53, a description of the following work:

Installation of a turbidity curtain and turtle fencing in the Great Cataraqui River from west shore (John Counter Blvd) to the east shore (Gore Road) in Kingston, Ontario.

The navigation channel will remain open with a clearance of 75 metres on either side of the navigation channel in the Cataraqui River.

Signed at KINGSTON ONTARIO this 3 day of SEPTEMBER, 20 19
