

Happy Holidays To You and Yours!

The Third Crossing team would like to wish you a very merry holiday and a happy New Year with family and friends.

We look forward to what's to come in 2020 and the exciting next phases of the project. Thank you for all your questions and comments throughout the year. Together we have had some big milestones and we appreciate all your feedback to make this the best bridge it can be.

Project team launches in-water construction on December 16, 2019

Latest Project Updates

In-water construction

The Third Crossing team launched in-water construction in December, you can find out more about it in our recent project [newsletter](#). If you are interested in the methods of construction for in-water and shore work, we have posted more detailed information on our project website under ["In-Water Work"](#) and ["Shore Work"](#) We also have a new drone video of the launch of the in-water work and a very high viewpoint of the Cataraqui River and the shores covered in snow. See below for our latest video or [view any of our other videos](#).

Approval on environmental considerations

The project also recently received approval on our environmental considerations for the Third Crossing project otherwise known as the Detailed Impact Assessment (DIA). The

strategies for the bridge is posted for residents to review. You can find it on the City's Engagement page otherwise known as [Get Involved page](#)

If you submitted questions or comments during our latest public engagement for our environmental considerations of the project, everything that we heard and how we responded is on our [final public engagement report](#).

About The Third Crossing Bridge

Once completed, the new 1.2 km bridge will connect the east and west sides of Kingston over the Cataraqui River. The two-lane bridge will improve emergency

pathway, create greater business connectivity and enhance the quality of life for the residents and visitors of Kingston. The bridge is jointly funded by the Government of Canada, the Province of Ontario and the City of Kingston.
